President's Message 2008

Hello Fellow Alumni,

Can you believe this? Another year gone by and here we go again fine-tuning the preparations for the 2008 Alumni Banquet!

In the past, the presidents' newsletter has offered you an overview of our accomplishments and the status of miscellaneous projects we are working on. We do have some of those things to share with you but first Dianne and I want to acknowledge the board. As Co-Presidents, we began our first meeting in September by identifying our expectations for monthly meeting structure and presented a draft outline of agendas for the year. Now, imagine someone walking into your office and telling you how to do the job you have been doing for 10 or 15 years. Our "this is how it is going to be done" approach was received with some skepticism and we certainly understand why. Over the past several years the board has seen people come and go and offer to help but never follow through. We (alumni) have taught them to be skeptical of us. On behalf of the Co-Presidents, we would like to thank each board member for accepting change and giving us a chance to prove to you that we care about the board and we are not going anywhere! We are going to stay and continue to support the hard work you all have been doing for so many years.

We need YOU, Lebanon High School Alumni! The Board needs members. We need people to volunteer for work on parade day, people to come to monthly meetings, a photographer, help on the decoration committee, help setting up safety barriers behind the mall, volunteers to help our advertising chair, volunteers to help our banquet chairs, volunteers to

help the parade chair, volunteers for the newsletter chair. We need YOU, Lebanon High School Alumni! 1 hour a month, 2 hours a year whatever you have to offer, WE NEED YOU!

Now we will dismount from our soapbox and share with you some awesome accomplishments made by this board during our fall meetings. This list gets exciting as you near the bottom!

- With some restructuring of our monthly meetings, we are proud to report that we limited our meeting time to one hour each month.
- We donated money to the West Lebanon Seminary Hill School for seat renovations in the auditorium.
- Parents of a graduating senior have committed to "supervise" the senior float with hopes that the seniors will enjoy being in charge of their own float rather than us managing it for them. We shall see if this increases senior participation!
- We have secured a storage unit for one year, free of charge, from Exit 17 Storage. This allows us, as board members, to have access to supplies when we need them and frees up our personal storage space. Big thanks to Exit 17 Storage!
- Board members have collected miscellaneous alumni boxes they were storing and have shared those with other board members. Our historians have dated and categorized hundreds of pictures and other documents. If you want to see it we might know exactly where it is now!

Are you ready for the big one? We are so excited! Drum roll. Lebanon Alumni Association now has a self-supporting scholarship fund! Thanks to your donations, we have a fund that will self support our scholarship. Oh but we are not done yet. Our new goal is to increase the
(continued on page 2)

Annual Meeting

Our 55th meeting came to order with the President Leann Cushman welcoming everyone to the banquet. This year we chose to go back to the American Legion in WRJ. We have had several comments that people were happy we made the change.

- Roll call of the classes present comes next and it always brings some old rivalries alive with loud cheering from one table to another. We follow this with a moment of silence for those classmates who could not be with us.
- The Board is introduced and Corrine Erskine announces the Scholarship recipient.
- After a break for dinner we sold 50/50 tickets to help support the Scholarship Fund. This year we gave out \$181.00 to one lucky person. We thank all who support this by buying a ticket.
- Denise Shibles then announces the parade winners and next year's parade theme.
- We close the banquet by singing the school song "Glory to Lebanon".

Everyone has a great time at our banquets, so if you haven't been please come and see your old classmates and friends and make some new ones while you're there.

Hope to see you there!

We are human and we do make mistakes. Please excuse our errors. If your name was omitted from a donation or left off a list, please stop by the Alumni tent on Alumni Day and let us know.

Thank you, the Alumni Board.

scholarship from \$500 a year to \$1000 so keep those donations coming!

We (the Board) have begun conversations regarding applying for Not For Profit status. We invited a CPA (Lebanon Alumni) to our November meeting to discuss the application process and requirements for filing taxes once the application process is completed. The Board strongly requests your feedback and/or assistance with the process during the Annual Meeting or through e-mail/phone (e-addresses and phone numbers are listed in this newsletter).

Dianne and I are very excited about the forward progress the Board has made this year and we look forward to serving the Board, in any capacity, for years to come. In addition, we look forward to seeing you at the banquet and on the dance floor!

"Address Alert"

Did you or someone you know get lost by the Alumni Assoc. date base due to a name change or address change due to 911, we have lost many addresses. Currently we have a data base of 10,000 Alumni and 3500 of them are lost to us due to incorrect addresses. Each year the Alumni Assoc. sends letters out to paid members and anniversary classes and each year we receive about 15 - 20% of them back. This is becoming a high expense for the Alumni Assoc. to continue to have. Please help us.

There is a Alumni tent set up in the park on Alumni Day (June 14, 2008). Please stop in and sign up with your current address and/or name change in your class book. You may also contact us at: Lebanon Alumni Assoc. P O Box 911 Lebanon NH 03766.

Dear Dianne and Alumni,

On behalf of students, staff, administration, and the board, please extend sincere appreciation to the Alumni Association for the generous gift of \$1000 towards restoration of Seminary Hill School auditorium seats.

Once the seats have been restored and put in place, we hope to arrange a ceremony to celebrate completion of the renovation. This will provide an opportunity to more adequately recognize our marvelous supporters and their contributions to the project.

With gratitude,

LEBANON HIGH SCHOOL ALUMNI ASSOCIATION SCHOLARSHIP FUND

The Lebanon High School Alumni Association Scholarship was re-established in 1991 in part from the generous contributions of the classes of 1939 and 1940. As our fund continues to grow with class donations, our goal is to make the scholarship self-supporting. In striving to achieve this end, we have been able to manage our accounts so we now are receiving a higher rate of return.

To continue to make the scholarship a reality, your *tax-free* contributions are needed. Please fill out the donation form and send it with your check made payable to LHS Alumni Scholarship fund.

NO DONATION IS TOO SMALL.

WHERE DOES THE MONEY GO??

Currently, the scholarship is awarded in the amount of \$500 per year to a graduating student whose parent or parents attended Lebanon High School. One student will receive \$500 each year that he/she attends school for a maximum of 4 years. Hopefully, this amount will increase as donations increase. The scholarship is awarded on Senior Awards night by the scholarship chair. The winning essay will be read aloud at the Alumni banquet. Additionally, a plaque is kept at the high school with the names of the recipients.

The 2007 recipient was Kristin Daigle, daughter of Michelle and Scott Daigle. She is attending Endicott College.

Your support is appreciated. Thank you.

Parade Report of 2007: A Blast from the Past

The Spirit of Lebanon High School was alive and well today. It's always great to see every one there, having a good time. That really is what it's all about: getting together and reminiscing about the past and catching up. I know of several folks who have traveled great distances to be here this weekend and be part of this great day. Thank you!

I'd like to take this time to thank the Lebanon Police Dept. for a wonderful job, before, during and after the parade. Without their support, it could not be a success each year. My thanks also go to the American Legion Post 22 for a striking color guard, Chuck and Alicia Gordon for the marshal's car, and the Lebanon High School Band who "step in line" for us every year. A special thanks go to Brianna and Ashlyn Kidder for being our banner carriers for the 8th year in a row.

The Board is honored to have Doug and Olive MacGregor as our Parade Marshals. Through out many years they both have believed that "other people come first". We have seen this in the energy they have given to both the Lebanon school system and the community as a whole.

Mrs. MacGregor has worked fulltime for the Lebanon Public Library for 18 years. She is known for her generosity and her quiet sincerity and thoughtfulness. She has now since retired but can still be found filling in when needed. She has served as a member of the Lebanon Historical Society for 18+ years and continues to volunteer in many capacities for the Lebanon School system.

Mr. MacGregor was a Science teacher at the Jr. High level for 35 years. I remember him well. That's where I started to learn science outside of a textbook. He also introduced me to chocolate covered ants and he holds the "honor" of giving me my one, and only, detention. I also remember him for his excitement and his commitment to children.

He has coached basketball and softball and refereed as well. He has continued to "fill in" wherever he's needed; whether it's as scorekeeper, sweeping the floor at half-time or lately, on the Buildings and Grounds crew. One of our board members shared with me that LHS has never been as clean as during the time he was helping out inside the building. Please join me in thanking them both.

This year we honored the alumni boy's basketball players in the parade. They chose to walk in honor of Lang. We miss you!

And lastly, our thanks continue on to the local companies who donate their trucks, trailers, cardboard, lumber, paint and what ever else we need. I love seeing the thanks written on the floats themselves, too.

Now on to the good stuff!!

I was delighted to see the classes of '34, '39 and '49

represented today by the folks in the Senior Citizen van. Now, that's the way to ride in a parade on a hot day! Once again the class of '47 came through with a great group. We greatly appreciate the continued support you give to us every anniversary.

Judging was extremely difficult this year. Four classes were within 4 points of each other! Some of the judges comments are:

'57: very classy, entertaining, "A Whole Lot of Shakin' Goin On!" singing classmates, authentic records, "All that glitters must be gold." Very nice job!

'62: wonderful artwork, hand painted signs, great replicas of cars, a burger to die for, impressed with Sr. page on display in both places, everyone in cleverly handmade costumes, really like the "chiseled sign on front", love the vacuum! And Dino, you're the best!!

'72: love the transporter room! Neat, precise and true to theme, awesome sound, technology and costumes, great class energy and "You beamed me back to some good memories"

'82: great waterfall, inventive propeller, nice hut, good costumes, looked like you were having fun, You improve more and more each time we see you!

'87: nice overall appearance and enthusiasm, Hawaii well represented, beautiful mermaid in a great waterfall, nice smoking volcano, great costumes, love the nono bird!!

'97: so glad you came, can't wait to see you again in 2012!!

'07: Welcome to the newest members of the Lebanon Alumni Association.

Congratulations and good luck!

So, we now know how the judges felt about all of you, so who won??

Let's beam up a first place trophy for the class of '72 with Star Trek!

Aloha! to '87 with Hawaii in second place!

And it's Yabba-Dabba-Do for '62 for third with the Flintstones!

Congratulations to all!

Next year's theme: Commercials

Thank you all, again, for a wonderful parade. See you in 2012!
